

Marketing and Growth Strategies for a Bagel Store (Professional Fill-in-the-Blank Marketing Plans by specific type of business with editable CD-ROM)

Growth Strategies for a Bagel Store

Growth Strategies for a Bagel Store focuses on how to seize current trends and innovative opportunities for profitable growth in a specific industry. This targeted guidebook shows how profitable growth must be creatively conceived, actively targeted and properly managed. The purpose of this guidebook is to help alter your companys goals and business processes to challenge conventional wisdom, identify emerging trends, develop capabilities to create new products and services, target new market segments, consider innovative distribution channels, and build new business revenue streams adjacent to your present core business competencies. In todays competitive economy, for a bagel store business to survive, the development of a growth strategy is a necessity, not an option. Includes financing options. Includes editable CD with multiple files.
