

Abner Doubleday: Boy Baseball Pioneer (Young Patriots series)

Young readers will share Abner Doubledays enthusiasm and love of baseball and recognize him as a heroic general who fought bravely in two wars in this installation of the Young Patriots series. An early adapter of modern baseball rules, Abner adored the sport and helped bring it into mainstream American sporting life. As a boy, he loved nothing more than playing ball whether it be one old cat or three old cats with his brother and friends. When not on the playing field, Abner sought out adventures, which lead him to a historic meeting with the French Revolutionary War hero General Lafayette, the recovery of a stolen trunk in the woods, and a hitched ride aboard a rickety stagecoach. Even as a child, Abner displayed the leadership skills and good sportsmanship that helped him advance the rules of baseball and lead his soldiers into battle during the Mexican-American and Civil Wars. Special features include a summary of Abners adult accomplishments, fun facts detailing little-known tidbits of information about him, and a time line of his life.
