

The Exploration of North America (Explorers Discovering the World)

Readers navigate this fact-filled book as it takes them through the history of North American discovery and exploration, detailing all of the successes, hardships, dangers, and accomplishments of key figures in exploration history. From the mighty Mississippi to the Rockies, up to Canada and down to Mexico, readers will learn about Columbus, Lewis and Clark, Smith, and many more. Fascinating fact boxes enhance the historical and informative content, while supporting captions and sidebars provide interesting facts about explorers and their voyages. Eye-catching and authentic illustrations give readers a feel for the period, transporting them back in time to the golden age of North American exploration.
