

# Angels, Dragons and Vultures: How to Tame the Venture Capital Beasts ... and Not Lose Your Company

In Angels, Dragons and Vultures Simon Acland shares the experience of his successful venture capital career. The book is a guide for entrepreneurs to all aspects of venture capital. Angels, Dragons and Vultures provides advice on whether to start down the venture capital road in the first place. It discusses the pros and cons of different sources of funding, suggests how to raise money successfully, and exposes the implications of different deal structures. Then it tells you how best to manage your new investors and maps out the route to a successful exit. Angels, Dragons and Vultures is essential reading for any entrepreneur who is considering raising venture capital, or who already has and wants help managing their new partner.
