

From the Delicious Goodness Files: Cobblers

James K Jones, Chef & Owner of Kairos Katering in Birmingham, Alabama has written his first cookbook. People of all age groups and backgrounds will love learning how to create these unique cobbler recipes that are filled with what he calls Delicious Goodness. Readers will not only learn how to prepare such culinary delights as peanut butter cobbler, chocolate cobbler, coconut, pineapple, lemon, strawberry and more, but they will also be able to connect with the author through the stories that accompany each recipe. In these Jones invites the you into his kitchen, his family, and his journey of building relationships around food. He credits his passion for food to his late Grandmother, Sara Mae Jones, who spent time in the kitchen with him from a young age. We look forward with joyful anticipation to the next installments. Cobblers is the first cookbook in a future series that will include Casseroles, Pasta Dishes, Soups, Cupcakes, Salads, and Appetizers.
