

## Death Comes to the PTA (Book 7 Molly Masters Mysteries)

Everybody agrees that talented mom Patty Birch is the perfect president to lead the Carlton Central School PTA to new accomplishments. Under her steady stewardship, the organization verges on winning a prestigious award. Her skills, however, are sorely tested when angry board members assemble to discuss a secret video that reveals their pettiness and ineptitude. Not long after the meeting adjourns, Pattys tenure is cut short by a knife-wielding killer. When Molly Masters, the towns unofficial sleuth, gets on the case, Perfect Patty turns out to be not so perfect after all. She not only instigated the notorious video but also some of its most humiliating episodes, many of which remain on the cutting-room floor. Its no wonder someone in PTA-land is ready to killand Molly is destined to be the next victim... .
