

Flock (Stork Trilogy Book 3)

The climactic conclusion of a supernatural romantic trilogy starring a savvy, sharp-tongued heroine who taps into ancient Norse secrets. After surviving her (shall we say) intense adventure in Iceland, Katla is psyched to be back for a blissfully uneventful senior year of homecoming and fashion explorations. But her hopes of dodging unfinished business are dashed by the arrival of two Icelandic exchange students: Marik, an oddly alluring merman-in-disguise, and Jinky, a tough gypsy girl. It seems Katla not only enraged the Snow Queen by rescuing her boyfriend, Jack, she also was tricked into promising her frail baby sister to the water queen and Marik has come to collect. Whats worse, Katla doesnt dare confide in anyone lest she endanger them, so even her soul mate, Jack, is growing suspicious. And now Katlas stork dreams, her guide for matching babies with mothers, have become strange and menacing as well. Hold on for a thrilling finale as the heroine of Stork and Frost calls on her wits (and her wit) to protect those she loves and face a final mythic disaster.
