

## Globaloonies 6: Helping Santa!

Its the day before Christmas, and Joey Papagopolis and his pet chameleon, Larry, are so excited except for one really important thing. Joey forgot to let Santa know what he wanted this year a George Washington presidential action figure. Since its too late to send a letter, and Joey doesnt know Santas email address, theres only one thing to do: Go on a Big Red Button holiday adventure! Although Joeys Big Red Button can send them through time and space, rarely do he and Larry ever travel in a straight line. So instead of making a non-stop flight to the North Pole, they end up taking detours to Arizona and Greece, learning a little history about Santa and helping him out along the way. Does Joey get his Christmas wish? Does Joeys mom really have awful taste in holiday sweaters? Were those sugarplums or worms and bugs dancing in Larrys head? Find out now in HELPING SANTA! Genre: childrens Christmas story, ages 6-11
