

The Lawn Care Business Can Get Dirty, Ugly, And Mean.: Stories Of Survival And Success To Get You Through The Rough Times.

When I first got my business started, I didn't really know anyone who was an entrepreneur. I had no one I could bounce ideas off of or compare my crazy stories with. For all I knew at the time, I was the only one who ran into problems with my business. Later when I got the Gopher Lawn Care Business Forum started, I began to realize that everyone who runs their own business, has issues they have to deal with. Whether they are business, personal, family, mental, financial, medical, or whatever. This book takes a look at the issues business owners from The Gopher Lawn Care Business Forum have dealt with. It shines a light on topics not often talked about. As you read this book, you will learn about issues you can outright avoid, issues you can try your best to avoid, and issues that will just sneak up on you. Once they happen, you will learn the best ways to minimize their damage so you can move forwards quicker. Ultimately you will learn crazy things happen to all entrepreneurs. If you find yourself dealing with some heavy issues, you are not alone. I wish there was a book like this to read when I was getting started, so I didn't feel so alone and lost, worrying if I had what it takes to make it. Wasting my time worrying was time I could have spent being more productive. So my message to you is, don't sweat the small stuff. Crazy things will happen. Read this book, learn what to watch out for, and be more productive. Some of the topics discussed in the book include: - Customer problems. Watch out for these customer warning signs. - Equipment issues. - Theft! Learn how others got their equipment stolen! Could you ever imagine it happening at a red light? - Money. - Estimating jobs and underbidding them. - Personal problems. Your wife wants a vacation! - Contracts and lawsuits. - Labor problems. How to find good help. - Disasters. What to do when you break a customer's window. - On
