Jerry Arterburn's story parallels that of thousands of men who are troubled by homosexual desires, but want to change. Rejected, alienated, and seduced into the world of homosexuality, Jerry suffered the devastating effects of AIDS before finding hope, acceptance, and an escape. Jerry's story, told with his brother, Steve Arterburn, gives readers hope. They give a way out of homosexuality for those who want to escape. It's a frank story that tells the truth about homosexuality and about how to find freedom and a new life. Why do men become homosexuals? Is there a way out? What should parents do when early signs of homosexuality develop? How should family and friends respond to gay loved ones? What about gays who have AIDS? Stephen Arterburn founded New Life Clinics, created the Women of Faith conferences attended by more than 1,000,000 women, and hosts the daily radio program, New Life Live. He is the author of more than 40 books, and has been featured in the New York Times and USA Today. Stephen lives with his family in Laguna Beach, California. He wrote this book with his brother, Jerry, who passed away from the effects of AIDS in 1988.
