

Princess Cupcake Jones and the Queens Closet (Princess Cupcake Jones Series)

Princess Cupcake Jones loves exploring her moms closet and trying on shoes. In the closet she finds herself in a transforming make-believe world of fun. When Cupcake discovers a special box that she hasnt seen before, curiosity propels her to explore what lies within the mystery box. And once she looks inside, she finds herself in a shoe-filled situation that is more than she could have imagined. Children will delight in Cupcakes discovery and will enjoy searching for the special word (love) hidden in each illustration.
