

## Minecraft: The Adventures of Minecraft Alex and the Iron Golem: Secret of the Potion (Viking Minecraft Adventures Funny Comic Book 3)

In the last episode, the zombie king's army hatched a cunning plot to send a spy disguised as a Viking to the Viking village in order to discover the secret to their superhuman strength. By the time Alex and Golem realized that they had a zombie mole in their midst, it was too late - the spy had already discovered that their secret was a magic potion brewed by the village wizard. The zombie then made his escape before anyone could stop him. Alex realized that now that the zombies knew the Vikings' secret, the village was in terrible danger. And when the village wizard suddenly disappears, Alex fears the worst.
