

How To Be a Champion: Mountain Biking Champion

This series is all about the exhilarating world of extreme sports and what it takes to become a top professional. Each title lists the essential equipment you need and examines the basic skills, before going on to look at the more demanding tricks and stunts. There are also profiles of some of the greatest names in the sport, the biggest competitions in the world and the most fearsome locations that these daring competitors come up against. Mountain Biking Champion opens up the world of mountain biking, both racing and freestyle. Techniques, facts, stats and competitor profiles grab young readers attention and ensure a thrilling read from cover to cover.
