

Alphabet Express (School Zone Interactive, Ages 3-6)

These single-subject, premium software products have themes that children love! From adventures underwater to thrills in outer space, with features they enjoy, such as creating their own stories, releasing trapped fish, making silly creatures, and watching delightful, animated rewards. Focusing on the subject areas that children need most to succeed in school, all School Zone Interactive Deluxe software has adjustable levels of difficulty for flexible use and continuing challenges. Whether used to teach, reinforce, or review skills, this deluxe software provides many hours of educational growth and enjoyment.
