

Rice And Potatoes (My Food Experiences! Book 3)

China Images on my mind I dont know about you but whenever I hear the word rice, I immediately have this image popping up on my mind of an Asian man sitting comfortably on the sideway, if that is possible, with a white porcelain ball in one hand full of white rice and sticks on the other hand, face as close as possible to the rice ball and shoveling with the sticks the white rice down his throat. I dont know, maybe I am watching too many Chinese movies lately. (Wink)
