

Prophecy (The Ghost Wars Saga Book 1)

Cuzak Rudir is the newly crowned King of the Specter Alliance. His coronation has left the position as head of the military empty. When he decides to promote his longtime friend, Gregor, over his own brother, Destor, the Kings brother takes matters into his own hands. Destor travels to the Alliances adversary, Mars, and returns with an enemy fleet and a mind for revenge. Amidst the fighting a discovery is made. A book written generations ago, foretelling the war and depicting Cuzak as a hero with supernatural abilities. Now, Cuzak must come to grips with his role in the prophecy as he tries to protect his people from his traitorous brother. But what is driving his brothers actions? Is it simply anger, or an even more mysterious force, long forgotten by the people of Specter? Prophecy is the first book in The Ghost Wars Saga, a series that blends the science fiction and fantasy genres into an action packed adventure of space ships and dragons, lasers and magic.
