

Sonic Select Book 6 (Sonic Select Series)

Sonic and Tails team up with Knuckles and the Chaotix against Robotnik's most terrifying weapon to date--a doomsday machine that could roboticize the entire planet with just the push of a button... the Death Egg. The massive space station looms over Mobius, threatening to turn every living creature into mindless drones. Can our way-past-cool blue hero and his heroic friends defeat Robotnik and destroy this ultimate weapon before it's too late? And even if they succeed... will the Death Egg rise again? Sonic Select Vol. 6 collects stories from Sonic Quest #1-3 and the Sonic the Hedgehog Free Comic Book Day 2010 and 2011 specials.
