These are the best Sauces of their kind you have never had! They have been lost to the world until now. World famous Chef Freddie the Frenchman former Chef to Heads of Europe and the King of Egypt from the 1930s to the 1960s. Freddie has cooked for every famous world leader from that era from Winston Churchill to King Farouk. In Paris Freddie was also the personal Chef of Isadora Duncan the famous 1930s dancer known for her long flamboyant scarfs (that ironically cost her life when she drove around in her convertible and her long scarf got caught in the rear wheel, breaking her neck. Thus ending her famous career.) You have never had a sauce like any of these 5 recipes as Freddie took them all to his grave only giving my family the recipes before he died. We had to promise to never reveal them for 30 years. This was back in 1982. Finishing his career as the Head Chef of the World Famous St Moritz in Vail, Colorado where you had to book a month in advance to get into the restaurant. He only served five items in the restaurant but he only needed five. The five best recipes that only he knew with secret ingredients and all. The Sauces are written in hand because we took them as he cooked them all for us shortly before he died. He wanted to pass them on before he died but with a promise the sauces could not be revealed until 30 years after his death. The Gourmet Sauces of the Kings: Veal St. Moritz One of a kind.
