

Every Kids Guide to Laws that Relate to School and Work (Living Skills Book 16)

Age Level: 6-12

The Living Skills books are a series of 27 books by award-winning author Joy Berry. Like all of the Joy Berry books, this series stresses individual responsibility. The purpose is to help kids develop into self-sufficient, intelligent, independent thinking young adults. The books in the Joy Berry classics have sold over 85 million copies and helped hundreds of thousands of parents and kids over the past twenty years. There are special laws that apply to children, but there is very little information available about these laws. In *Every Kids Guide to Laws that Relate to School and Work*, Joy Berry discusses the laws specifically for children related to school and work. Topics include: some laws are specifically for children, some school laws protect and help children, some school laws protect and help principals and teachers, and children's labor laws protect and help children. The book features colorful cartoons on every page that both amuse and engage the reader. The 27 books in the Living Skills series are: Being Special, Coping With Childhood Traumas, Being a Communicator, Responding to Danger, Decision Making and Problem Solving, Handling Family Arguments, Family Rules and Responsibilities, Handling Fights with Brothers or Sisters, Good Manners, Handling Disagreements, Handling Feelings, Understanding Human Rights, Handling Illness, Intelligent Spending, The Juvenile Justice System, Laws That Relate to School and Work, Laws that Relate to Kids in the Community, Laws that Relate to Parents and Children, Making Friends and Managing Money, Understanding Nightmares, Nutrition and Health Care, Overcoming Prejudice and Discrimination, Understanding Parents, Thinking and Learning, Using Time Wisely, Watching TV Intelligently
