

The Revenge of Excalibur (Excalibur Saga) (Volume 2)

...an excellent read...simply loved it. -Rabia Tanveer, Readers Favorite- After Pamela's father vanished twenty-seven years ago, her life has been content. That is, until she is visited by disturbing dreams, telling that her father is in danger. She also receives a mysterious message, telling her that Arthur has been imprisoned on a distant planet, and only she can rescue him. To do so, she must release the evil entity trapped within the famous sword, Excalibur. If she trusts this strange messenger and releases the terrifying Shalit from its confinement, Pamela could be endangering Earth and all the other planets in the universe. Will she be strong enough to control the Shalit, save her father, and protect everyone she loves? And can she risk destroying all life if she's not?
