

Atlas (Ultimate Guide)

With Atlas, readers can literally have the whole world in their hands. Beautiful overviews of every region, continent, and country of the world, combined with interesting, accurate details about the Earth, its inhabitants, and its diverse climate conditions, offer a wealth of knowledge in an easy-to-grasp format. The book features the most up-to-date data available on both worldwide and local levels, along with Did You Know? facts on each page that provide even more amazing information. Also included are two giant, full-color posters for hanging on a bedroom, den, or classroom wall.
